

Career Training Programs at a Glance Global Start-up School

Immigration Options

Can apply with business idea from program for permanent residency through the Canadian Startup Visa Program

Purpose

The Global Startup School (GSS) at Tamwood Careers bridges a traditional business education with the key elements needed to succeed in the startup world. Students will learn how to develop a viable business idea and learn skills and business knowledge to launch a business. Their new business can be the basis for an immigration application for Permanent residency under the Canadian Startup Visa Program.
